**FROM THE PRESIDENT:** After writing these little notes for five years, I've about run out of things to write about. So I am going to tell you what I've been doing this summer. I know there are many of you that lead a more exciting life than I do but here goes. I was on the planning committee for our schools 55<sup>th</sup> class reunion, a very important part, I collected the money and paid the bills. I planned a Strait family reunion at my home, a class get-together another evening, spent the 4<sup>th</sup> of July celebration as a guest of the Imax theatre. That was a great evening, attended CR Theatre a couple times. By the way, I think "Anything Goes" was the best play I've attended in many years. I attended a couple of baptisms in my family and read lots of good books. I have a couple of friends that I exchange books with. Washed the outside of the house, sat with my great grandson numerous times, attended our lunch service at Ushers Ferry. Served as a cashier or greeter many times.

I also love to work in the yard, I think my flowers look the best that they have in a long time. I guess it's all in building up memories and I've done my share this summer.

Jean Strait  
 President 2001-2002

**FROM THE VP:** Regarding garage sale: Hope you are all looking for a fun and profitable time at the garage sale. The sale will take place AFTER the meeting to give all members equal shopping time. Please place your priced items out on the tables upon arrival and take your seat so we may start the meeting on time.

I would also like to address again the fact that we will be losing our Class and our Community Service coordinators, and to date, no one has volunteered for those positions, or shown an interest in becoming a board member in any other capacity. The reason we have two girls working on these positions is so all the responsibility does not fall on one shoulder. Please speak with your close friends and consider working together with us. The staff does have a lot of fun, but we all can't do it forever. New people with different ideas and opinions can be a good thing.

If we don't have scheduled classes, possibly some of you would be interested in directing a project, such as the girls did with the brick flags. That may spark more interest. So you creative gals out there, put on your thinking caps.

Hope to see a lot of participation in the sale. Clean out your space for all the new stuff you will want to take home. ☺ See you then.

Norma Mikkola  
 Vice President 2001-2002

**COMMUNITY SERVICE PROJECT:** We will be collecting school supplies for the local schools. Boxes of 24 crayons, white Elmer's glue, watercolor paints, liquid hand soap, 60 minute audiocassette tapes, plain pocket folders with prongs, pink rectangular erasers, gallon or quart size ZIPLOCK bags, tissues, thick markers, FISKAR scissors, colored pencils, #2 pencils, index cards, dry erase markers, glue sticks, pencil box, washable markers, spiral notebooks, wide-lined paper, brown lunch sacks.

Thank you!

All money collected at the sale will be used by the club to help defray costs. The company has cut our funds this year and may cut them again for next year. Unfortunately this could lead to an increase in dues for next year.
