Grandma's Recept

Years ago in Kentucky Grandmother gave a new bride the following "RECEET", for washing clothes. It appears below just as it was written and despite the spelling, has a bit of philosophy.

bilt fire in backyard to heet kettle of rain water.

Set tubs so smoke won't blow in eyew if wind is pert.

shave one hold cake lie soap in bilin water.

sort things, make three oiles, 1 pile white, 1 pile collord, one pile work britches and rags.

stir flour in cold water to smooth then thin down with bilin water.

rub dirty spots on board, scrub hard then bile, just rench in starch.

take white things out of kettle with a broom stick handle then rench, blew and starch.

spred tee towels on grass.

hang old rags on fence.

pore rench water in flower bed.

scrub porch with hot soapy water.

Turn tubs upside down.

go put on a clean dress, smooth hair with side combs, and brew cup of tee, set and rest and rock a spell and count blessings.

Hang this up above your automatic washer and when things look bad  
READ IT AGAIN.
