Next Meeting – July 16 - 4:30 p.m., Main Plant Cafeteria

CRAFT PROJECT: This month we will be making Mrs. Santa, to go with Mr. Santa that we made before Christmas. Bring sewing scissors, thread, needle.

COMMUNITY SERVICE PROJECT: Our charity for this month will be collecting money and school supplies for the Henry Davidson Youth Center back to school project. They had an article in Sunday's paper saying that they project the need will be about twice as great as last year because of the flooding. I've started to see school supply ads already, so see what you can find. I know what excellent bargain hunters you can be !

Future charities – If you have an idea for a group that could use our support, please mention it to Arlys or Joyce.

POCKETS: Dee Roman needs denim jean pockets for a project she's working on. You can bring her just the pockets, or the whole pairs of jeans.

CLOTHES FOR GEESE: Yes, you read that correctly. Darlene Ozburn is looking for patterns for clothes for yard geese.

NOTE ON Rx BOTTLES: Remember to keep saving your empty prescription bottles with labels removed for the Free Clinic. They ask that the bottles also be washed. Please remember that they CANNOT take non-Rx bottles or even the pre-packaged bottles from the drug company—only the usual pharmacy ones that are usually green or brown.

TIP – DeSolv It, in a spray bottle cleans the goo from the labels off the bottles.

Thank you!

Arlys Huff and Joyce Smith -- Community Service Projects 2006-2007

REPORTS: Remember, reports are always available, official ones will be several times a year.

MESSAGE FROM THE PRESIDENT: Well, last month the flood prevented me from getting our newsletter out, and this month you almost didn't get one either, as my mother-in-law received a liver transplant this week and I've been spending most of my time at the hospital. It is a miraculous procedure and we would appreciate good thoughts and prayers from everybody. I don't know if I will make it to the meeting, but if things continue to go well, I'll be there. On another note, I am making a list of items people are able to donate to flood victims. We are looking for washers, dryers, stoves, refrigerators, couches, beds, etc. for people to have when they find a new place to live, or when their houses are able to be lived in again. If you have anything they can use, please let me know.

I hope to see you on Wednesday.

Shari Burns

TRIPS: ESTHER MICELI 393-7200 or 721-4171 OR THELMA GOETTSCH 396-2700

Over and over again in my life I have found this quote to be so very true.

I hope you enjoy it.

Until one is committed there is hesitancy, the chance to draw back, always ineffectiveness. Concerning all acts of initiative (and creation) there is one elemental truth, the ignorance of which kills countless ideas and splendid plans- *that the moment one definitely commits oneself, then providence moves too. All sorts of things occur to help one that would never otherwise have occurred. A whole stream of events issue from the decision, raising in our favor; all manner of unforeseen incidents and meetings and material assistance which no man could have dreamed would come his way. Whatever you can do or dream you can, *begin it. Boldness has genius, power and magic in it. Begin it now!**
