

# Rockwell Collins Craft Club June 2011

Well, it finally happened. . . . I missed a meeting!

We were busy roofing and the weather was perfect, so I just had to stay and help longer. It's all done now and we sure are glad we weren't doing it during this hot and humid weather we are having now.

I have actually been sewing a little bit lately, nothing impressive, but enough to get me excited about our trip to the Sewing Expo at Platteville on Saturday. Five of us are going, as we had such a good time last year.

There was a meeting for Craft Fair Registration last week. I signed up, so now I'm committed! I've not been in it for the past few years, but was feeling motivated.

I've been spending quite a bit of time on family history research lately I know one trait I inherited from my maternal grandmother . . . . That of UNFINISHED PROJECTS !!!

- ☀ This month's craft is the felt and button flowers that Pam Hoffman had for Show & Tell a few months ago. Bring your scissors, and hand sewing needle and thread (any color). We will have multiple colors of felt and buttons to choose from.
- ☀ **WARNING !!!!** Remember — Don't park in the Credit Union spots when you come for our meeting.
- ☀ I hope you all enjoyed making the mini version of the covered composition notebooks. I think they are the perfect size to put in your purse. We sold all the extra kits too.
- ☀ Last month's charity was the Salvation Army and we collected money so they could buy food..
- ☀ This month's charity will be collecting money for UMCOR (United Methodist Committee on Relief), which is helping the tornado victims in Joplin, Missouri. After doing research about how much of some charities goes to administrative costs, we decided to go with one where 100% of the donations go to the actual cause.

Here's a little more information about UMCOR:

The **United Methodist Committee on Relief (UMCOR)** is a prominent worldwide emergency relief organization. A nonprofit agency of the United Methodist Church, UMCOR reaches worldwide to provide relief in five core areas: Hunger, Health, Refugees, Emergencies, and Relief Supplies. Since 1940 UMCOR has served people in almost 100 countries around the world. The organization is designed such that 100% of all donations are channeled directly to the earmarked project or relief effort. Therefore, UMCOR does very little advertising and is not as well known as other relief organizations like the Red Cross or Catholic Charities.

### Rockwell Craft Fair

Both the registration nights have come and gone and it's looking like a good turn-out. We will find out soon if there are any spots still open. So if you haven't already signed up, you may need to get on a waiting list for any possible cancellations. We will have an update on this in July's newsletter.

For those of you that are already signed up, Jan O'Brien will have tags for sale at this month's meeting. Tags are \$2.50 per bundle (approximately 100 tags per bundle).

**Begin somewhere; you cannot build a reputation on what you intend to do.**

## **Snickers-Apple Dessert**

Chop Snickers up with the food chopper.

Peel, core and slice a few apples.

Place them in a baking dish and sprinkle the chopped candy bars over the apples.

Bake at 350° for 15 minutes!!!

Serve alone or with vanilla ice cream. Yummm!!!

**Brain cells come and brain cells go, but fat cells live forever.**
