Next Meeting – September 17 - 4:30 p.m., Main Plant Cafeteria

CRAFT PROJECT: This month we will be making an embroidered fall pin. Bring sewing scissors, thread, and a needle with a larger eye.

COMMUNITY SERVICE PROJECT: We will collect money and food for Aid to Women this month, as they are very low on supplies after the flood.

Future charities – If you have an idea for a group that could use our support, please mention it to Arlys or Joyce.

ELECTIONS FOR THE NEW YEAR: Our new fiscal year starts October 1, so that means we will be holding election of officers at this month's meeting.

CRAFT PROJECT IDEAS: If you run across an idea that you think would be good for a craft project at our meeting, or a special class, please mention it to one of the board members. We are always looking for new ideas.

CANDLE SUPPLIES: Michelle Bell has some candle making supplies for sale. She will have more information and details at the meeting. Please call Michelle at 295-9695 or 360-4623 if you think you might be interested.

NOTE ON Rx BOTTLES: Remember to keep saving your empty prescription bottles with labels removed for the Free Clinic. They ask that the bottles also be washed. Please remember that they CANNOT take non-Rx bottles or even the pre-packaged bottles from the drug company—only the usual pharmacy ones that are usually green or brown.

TIP – DeSolv It, in a spray bottle cleans the goo from the labels off the bottles.

Thank you!

Arlys Huff and Joyce Smith -- Community Service Projects 2006-2007

REPORTS: Remember, reports are always available, official ones will be several times a year.

MESSAGE FROM THE PRESIDENT: Can you believe it's the start of another year again? Which means it's that time when we try to convince you that you should run for an office for the club. It usually goes very badly and the same people end up continuing in their job. I am asking you to thoughtfully consider it this year, instead of just automatically refusing to give it a try. One good reason for someone new to run for office is that we need to have different people with different ideas, so that things don't just remain the same all the time. One job that we really need a current Rockwell Collins employee for is the Membership. This job entails keeping our Access Database up to date with membership info and also collecting the dues at the beginning of the year, or from any new members throughout the year. It doesn't take much time, but really needs to be done.

All the flowers at our house are doing great, but I'm afraid if our evening temperatures get any closer to freezing, all my coleus will be dead by morning. My favorite seed that I got from Seed Savers is the Hyacinth Bean. It's a great vine with purple and green leaves and then it gets beautiful little pink flowers on it later in the summer. It grows like crazy and I have lots of ideas of where I'm going to plant it next year. It produces lots of seed pods on each vine, so I should have lots to work with next spring.

I would like to thank Darlene Ozburn again this month for helping us out with this month's craft project.

I hope to see you on Wednesday.

Shari Burns
