Fall is clearly on its way. It sure has been nice to have the windows open in the house lately. And much easier on the air conditioning bill too. I have been busy making things for fall craft shows and getting stuff ready to work on when we go to Geode Fest at the end of the month. My husband hunts for rocks and I garage sale and do crafts.

- ☀ Our craft project for this month is 3 different Halloween items. First is a ghost made out of a Mason jar and gauze with a candle inside it. Second and third are items made from pinecones. Hope to see you there.
- ☀ Our craft project last month was painted rocks. We had a wide variety and I also got paint on my shirt :(I would have thought craft paint washed out of fabric more easily.
- ☀ Our charity for this month will be collecting for the Linn County Deputy Sheriff Charitable Association. They give out and deliver boxes of food for the holidays to those in need.
- ☀ If you want to be in the Rockwell Craft Fair and have not signed up yet, contact Jan O'Brien to see if there are still openings. 377-8111. Tables are \$30 each.
- ☀ Here's directions for anyone who has not come to our new location yet: **Building 131 is located at the SE corner of C Avenue and Blairs Ferry Road.** Please call me if you have any questions or if you get lost. Remember, if you are coming from north of Blairs Ferry Road or from Marion, the median strip will prevent you from turning into the driveway on C Avenue, so if you continue past the building on Blairs Ferry, you can enter that driveway, and then drive around to the front or side of the building to park.

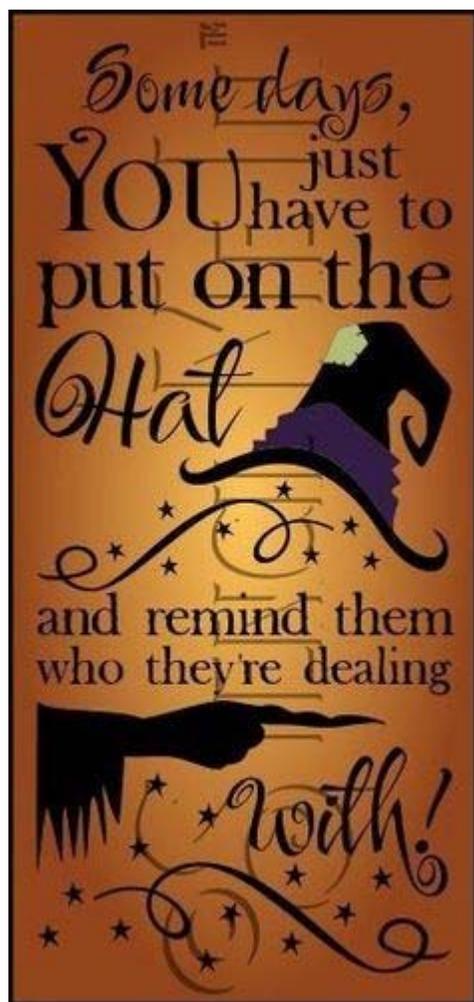

Happy Birthday!

Here are some Halloween ideas I found on Pinterest:

When black cats prowl and pumpkins gleam,
may luck be yours on Halloween.

Apple Bundles

(a Pampered Chef recipe)

Slice apples using Apple Peeler/Corer/Slicer.

Unroll refrigerated crescent rolls, and cut each triangle in half lengthwise to end up with 16 triangles of dough.

Place 3 or 4 apple slices at wide end of each strip and roll up.

Preheat oven to 375 degrees.

Arrange bundles on the pizza stone and bake 25-30 minutes or until golden brown.

You can add cinnamon and sugar if you'd like.

If desired, drizzle powdered sugar glaze on top after partially cooled.

My favorite color is October.
